

Lindson Lynch does it twice

For the second time in a row Lindson Lynch wins the Hurricane Power Athletics Club SUBWAY 10km run in Antigua, which was held on 8th January, 2006.

The Pioneers Athletics Club was invited by the Hurricane Power Athletics Club of Antigua to participate in its 4th Annual 10k run, kids 5k run, and 5k race walk. Our participants in the 10K race were defending champion Mr. Lindson Lynch and Mr. Cleve Lafond accompanied by Coach Cedric Harris.

Lindson Lynch won the event, which brought athletes from Trinidad, England, and Antigua itself, in a time of 36 min 21sec.

What's next for Lindson? Hopefully a half marathon in St. Martin on 11th February if we get a sponsor to assist with the traveling costs.

Cleve Lafond on the other hand, did not get to compete because he had suffered from food poisoning a few hours before the race.

The traveling expenses were made possible by the DOC who sponsored Lindson's ticket, also friends, families and personal funds.

The Pioneers Athletics Club wants to say thanks for all the assistance and may God bless you all.

Coach, Cedric Harris
